

Elementary General Music Curriculum Team

Elementary General Music Staff,

The Elementary General Music Curriculum Team presented a draft of their recommendations for general music K-5. Feedback and suggestions during the meeting were gathered from elementary general music staff in attendance. Your thoughts about the recommendations are important to the continued development of these recommendations. Please provide your suggestions and ideas to Julie Palkowski by Friday, January 12, 2006. Confidentiality of comments shared will be respected. The team will only view the comments and not the names of the people sharing the feedback. The team will review comments and make revisions to recommendations during their January meeting. Final recommendations will be presented to the administration and BOE in early Spring. If you have additional questions about the team and charge, please contact me. Thank you for your support in this.
