

Tab 61 - Encumbered Funds for 2006-07, 2007-08 and 2008-09

QUESTION:

How much money is encumbered for 2006-07, 2007-08, and 2008-09?

RESPONSE:

The information on multiple year commitments was in the Financial Summaries under the Debt Schedule Tab. The print is very small, so I have attached an electronic copy. There are a few other areas that specific Board action would commit future years budget dollars, Summer School and Leopold addition. The chart does not include bonded debt authorized by referendum.
