

## Student Level of Appreciation In Physical Education: Teacher's Perceptions

### Baseline Data (2005-06)

The numbers in the columns represents the response of teachers when asked to identify the percent of all of their students to the question.

Students will understand that physical activity provides opportunities for enjoyment, challenge, self-expression and social interaction	Most of the time	Often	Sometimes	Hardly ever
I understand that physical activity gives me a chance to challenge myself	38	27	20	15
I enjoy physical activity	53	20	15	12
I understand that physical activity gives me a chance to have fun with my friends	54	22	16	8
I understand that physical activity gives me opportunities to express myself	35	25	25	15
I understand that physical activity allows me to try new things	42	25	20	13

\*The data represents the response of 49 of 52 (94%) middle and high school physical education teachers' to a survey administered during March 2006.
