 Rem: Orientation Activities for Incoming 6th graders, 2007-2008

Dear Parents:

This year the evening parent orientation program will be held at Toki Middle School on Tuesday, January 23th, 2007 from 7 p.m. in the All Purpose room.

The orientation has been an informative event for parents and students of all our elementary feeder schools. In the past, a large number of parents and students attended the program. This year, we are looking forward to see a large turn out as well.

To facilitate a smooth transition of your child to Toki Middle School, a series of activities are scheduled. Some of them are listed below. Please mark them on your calendar.

1. Counselor visitation to Elementary schools

Mr. Vang will explain to students the sixth grade program and sixth grade course election sheet. Course election sheets will be given to students and they must be signed by their parents and returned to their fifth grade teacher no later than the due date.
